Body-Solid Tools - Chin-Up Bar

PUB34 Chin-Up Bar

Uniquely designed pro-style doorway Chin-Up Bar is constructed of heavy gauge reinforced steel. Multi-use design is large and sturdy enough for any size user. Quickly and easily mounts to doorway frame. Infinitely adjustable from 29" to 38" in width and extends a full 10" out and away from doorway frame for head clearance when doing full range pull-ups. Convenient lift-out design for easy storage. Includes mounting hardware. Capacity: 300 lbs.
