SPR500DBL Double Half Rack

The Body-Solid Pro Clubline SPR500DBL Double Half Rack is a two-sided full commercial rack designed to maximize workout efficiency in any facility. Designed for high schools, colleges and universities, police and fire departments, military facilities, sports performance training facilities, and any commercial gym or training studio, the SPR500DBL offers the versatility of two fully-functional half rack stations in the space of just a single power rack.

Designed with 3" x 3" 11-gauge steel and a sturdy 1000 lb. weight capacity, the SPR500DBL provides solid, stable, and safe workouts. The SPR500DBL features laser-cut numbers, premium J-Cup Liftoffs, Safety Spotter Arms, and Chinning Bars.

Weight: 583 lbs
