Carry Case Instructions

Fold top of case
back upon itself,
towards the
carabiner

Step 1

Insert speaker
into case while
aligning top edge
(button controls)
with the top seam
of the carry case

Step 2

Slide the speaker into the case by pushing the speaker's side while holding the case with your other hand.

Step 3

Unfold top of the case over
the end of the speaker

Step 4

Zip your carry case closed

Step 5
