UNDERSTANDING THE MYSTICAL SPELLED & CONJURED CANDLE MAGIC

All the Solomonic seals are governed by a different planet and day of the week. It is best to use the sealed candle on the day the planet governs, however in emergency cases you can light your candle four to five days prior to the specific planetary day just give honor to the spirits of the planet that rule that day you are lighting the candle on. Example Blockage Removal is on Thursday so it would be best to light it Sunday or any other day leading up to Thursday. Then proceed to call the pentacle name of the seal to which your candle connects. Example spirits of the 3rd Pentacle of Jupiter I invoke your presents to clear all blockages and negativity out of my life.

This spelled and conjured candle has the Solomonic seal on the glass encasement and a second seal to empower your intention engraved in the wax & crowned for optimum power. These spelled and conjured candles are color coded to match your intention.

There is absolutely nothing to be afraid of the spirits have already been conjured to do the work on your behalf. All you are doing is acknowledging and making your request for your desires to be fulfilled. See table for More Information and follow step by step instructions under your specific candle kit.

NAMES OF GOD

Using the names of God with the crowned seal in the candle ensures that the spirits invoked comply with your desires, goals and wishes. You will use the name of God with the correct candle to call on the spirits to carry out your intentions. In the step by step instruction under each candle have the name of God to call for that specific candle.
