

SORA

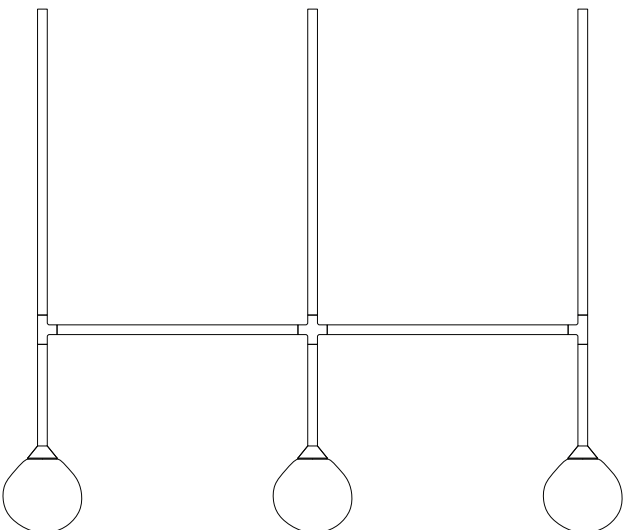

Designed and Handmade by Oliver Höglund

Molten hot glass shaped and mouth-blown at one thousand degrees celsius. An organic round shape made with quality Swedish clear glass to dress a defused pineapple LED bulb.

The defused LED bulb shines and refract off the contours of the SORA pendant light to give a unique one of a kind lighting design.

The free formation design ensures that no two pieces are the same, giving you a truly aesthetic piece for your space.

Handmade in Currumbin, Australia.

TECHNICAL INFO

Type

Interior Use Only

Dimensions (Approx.)

Glass (x3)

Height: 110mm

Width: 110mm

Rods:

Length: Custom

Width - Custom

Materials

Glass: Clear

Rod Finish: Matte Black / Brass / White

Driver is included

Input Power

100 - 240VAC

Output Voltage

4V DC Driver (350mA Constant Current)

Power Consumption

3W

Colour Temperature

2700K / 3000K / 4000K

Lumen Output

450 (Brighter options available)

Dimming

No

Mounting Options

Custom designed ceiling plate
