LONGWEAR LIPCOLOR

I have tried them ALL and this one is not only affordable, its genius! Soft and not sticky. Major staying power without caking. My fave fall color is Royal Raisin.

GO EVERYWHERE SHOE

If you know me, you know I live in my Chuck's. The easy elastic slip on back gets you out the door in seconds with comfort that literally lasts all day. They come in lots of colors, but, black is a great place to start.

EVERYDAY INDEX RING

Such a chic, easy accessory, adding a thin metal ring to your index finger adds an on trend look to every outfit. This one comes in gold or silver and goes up to size 10. (I have both because I couldn't decide and they're just around \$10!

EYE HYDRATION

Fall and Winter are my two favorite seasons, but they reek havoc on my skin. This eye cream has literally started to restructure the skin around my eyes and feels smooth and velvety going on. It's on the pricier side but a little goes a long way, and I found it to be worth every penny.

HAIRCARE FOR THINNING HAIR

Changing hormones means changing hair. My hair has been thinning for over a decade, (it's so bad, I wear extensions). I've tried so many things over the years but nothing really worked. I was lucky enough to stumble upon this magic set that has made the hugest change in my hair structure. My uber thin hair is coming in noticeably thicker and stronger. Go figure?!
