SOOS™ SHAMPOOS

EXTRA STRENGTH MINERAL ENRICHED SHAMPOO

SP01001
SP01002
SP01005

Key points:

- Great for pets with thick or oil prone coats
- Excellent for outdoor pets or extra dirty dogs
- Cleans fur without stripping natural oils

Best for treating:

Dogs with medium to long hair require a specialized concentration of nutrients for a shiny, healthy coat. We were fed up with the harsh chemicals found in other extra strength shampoos so we developed a breakthrough blend of vitamins, minerals, essential oils and extracts to thoroughly cleanse your pet's skin and coat while locking in moisture. Soos™ Extra Strength Mineral Enriched Shampoo combines all of the exclusive benefits of Dead Sea minerals with the natural properties of citrus extracts and tea tree oil to nourish your pet's skin and coat.

Active Ingredients:

Dead Sea Minerals, Thyme Extract, Orange Extract, Tea Tree Oil, Vitamin E, Aloe Vera.

Directions:

Shake well before use. Using warm water, wet coat thoroughly. Apply from base of neck to tail, paying special attention to avoid eyes. Gently Massage deep into coat and skin. Rinse thoroughly. Repeat if necessary. Store at room temperature. Use only as directed.

CLASSIC DEEP CLEANSING SHAMPOO

SP02001
SP02002
SP02005

Key Points:

- Deep cleans, detoxifies & purifies without stripping natural oils
- Nourishes skin and coat with vitamins, minerals and essential oils
- Hydrates and softens skin and coat

Best For Treating:

Harsh chemicals in most pet shampoos strip away natural oils leaving your cat or dog's skin and coat dry, brittle and damaged. Our classic formula provides deep cleansing and detoxifying properties that moisturize your pet's hair and skin and improve overall health. Soos™ Classic Deep Cleansing Shampoo combines all of the exclusive benefits of Dead Sea minerals with the natural antioxidant properties of coconut oil, lemon extract, orange extract, tea tree oil, lavender oil and honey to gently clean, calm and cleanse your pet's skin and coat.

DEAD SEA MINERAL SALT SOAK

SP05007

Sizes available: 400g / 14.11 oz

Key Points:

- For dogs and cats with yeast build up on paws and body and for pets experiencing pain from chronic conditions, fatigue or aging
- Draws out toxins, enhances circulation and removes pressure from joints
- Aromatherapy effects and spa-quality relief at home

Best For Treating:

Our Dead Sea Mineral Salt Soak is an effective treatment for two types of painful ailments that cause your pet's severe distress:

1. Yeast infections/ yeast build up on paws, body and ears
2. Arthritis, poor circulation and joint problems

Dead Sea salt is renowned in the grooming world for its ability to treat yeast by simply adding it to the bathwater while bathing. What's more, soaking in Dead Sea salt water is known as one of the oldest forms of medicine because it draws out toxins, enhances circulation and removes pressure from joints. For ages, people have traveled to the Dead Sea to soak in its waters because of its natural healing and therapeutic effects. Our natural Dead Sea salt is enriched with eucalyptus, clove oil and peppermint oil to further increase therapeutic effects, calm nerves, purify the body and improve skin's integrity.

Active Ingredients:

Dead Sea Salt, Dead Sea Minerals, Clove Flower Oil, Peppermint Oil.

Directions:

Fill bathtub with warm water and add 4 teaspoons of Soos™ Dead Sea Mineral Salt Soak for every 5 lbs (if your dog is 10 lbs add 8 teaspoons). Stir well to ensure that the salt dissolves. Have your pet sit or stand in the bathtub for 20 minutes. Add warm water as needed to maintain temperature. Following the bath allow your pet to air dry. The salt will continue active treatment for 30 minutes. Store at room temperature. Be sure to avoid contact with eyes and ingestion. Use only as directed.

Ingredients:

DEAD SEA SALT, DEAD SEA MINERAL EXTRACT, MENTHA PIPERITA (PEPPERMINT) OIL, EUGENIA CAROPHYLLUS (CLOVE OIL), EUCALYPTUS GLOBULUS LEAF OIL
