Dead Sea minerals are renowned for their ability to cleanse and nourish the skin and coat of pets. Our Ultra White Shampoo harnesses the power of these minerals to leave your pet's coat soft, shiny, and vibrant. The all-natural formula is free from harsh chemicals and artificial additives, making it safe and gentle for even the most sensitive pets. This shampoo is ideal for white or light-colored coats, as it effectively removes dirt, grime, and stains without damaging the coat's natural texture or color. It also helps to soothe and moisturize the skin, leaving your pet feeling fresh and comfortable.
