Lightweight!

The Drain Invader Electric Hydro-Jetter comes in at **ONLY 18LBS as a HAND CARRY Jetter!!!** Capable of 2050 PSI while running off a 15amp circuit, this handy Jetter is designed to jet indoor drains up 3". This Jetter also features an Auto-Start/Stop function specifically designed to enhance the life of the Drain Invader – the motor only runs when jetting the line! One of the most Unique Features is the simple ability to use the Drain Invader as a either a Light Weight Hand-Carry Jetter or 2-Wheel "Cart" Jetter depending on your needs. This Jetter also has the option for a Wall-Mount System to mount in your shop or in your rig. With a starting price point that can't be beat – the Drain Invader is a must have tool!!!

*Now comes with Pressure Washer Kit (Gun, Hose and Nozzle kit)

*Optional Wall Mount Systems for your Vehicle or Shop

DRAIN INVADER SHOWN WITH *OPTIONAL WALL MOUNT SYSTEM
