The Drain Invader "X" Electric Hydro-Jetter comes in at **30LBS as a HAND CARRY Jetter!** Capable of 2300 PSI while running off a 15amp circuit, this handy Jetter is designed to jet indoor drains up 3".

This Jetter also features an **Auto-Start/Stop** function specifically designed to enhance the life of the Drain Invader "X" – the "Ultra-Quiet" "High-Performance" Brushless Induction Motor (~80dB) only runs when jetting the line! One of the most Unique Features is the simple ability to use the Drain Invader "X" as a either a Hand-Carry Jetter or 2-Wheel "Cart" Jetter depending on your needs.

This Jetter also has the option for a **Wall-Mount System** to mount in your shop or in your rig. At such an affordable price you can have a Drain Invader "X" on every Fleet Vehicle!!!

*Includes Pressure Washer Kit (Gun, Hose, Nozzle kit, Turbo Nozzle and Detergent attachment)

***Optional Wall Mount System**
