

BOATSHED BAY

WINE OF NEW ZEALAND

INSPIRED BY MARLBOROUGH'S COASTAL BEAUTY

Boatshed Bay embodies the life and colour of the Marlborough Sounds on the South Island of New Zealand. For many years we have proudly crafted wines from our picturesque vineyards of this region.

MARLBOROUGH

The Marlborough growing region is New Zealand's premier wine producing area. It is known for its diverse terrain of rugged mountain ranges and vast stretches of flat valleys outlined by jagged hills. The area is marked by plentiful bodies of water from streams and rivers to the famed Marlborough Sounds and captivating views of the South Pacific Ocean.

One of New Zealand's sunniest and driest regions, Marlborough enjoys about 2,400 annual sunshine hours. With an average daytime temperature of 18°C and cool nights brought on by coastal winds, it offers idyllic conditions for growing world-class, cool-climate wines.

VINEYARD

Our Pinot Gris is crafted from premium fruit grown in the Awatere and Wairau Valleys of Marlborough, New Zealand. Combining fruit from each of these regions adds an extra dimension to the wine; the Wairau Valley fruit lifting the aromatics, whilst the Awatere component adds an attractive mineral note.

WINEMAKING

We believe in letting the quality of our fruit show through in our wines. Our Pinot Gris is picked at optimum ripeness and gently pressed before being fermented and aged in stainless steel tanks. The result is a wine that is the purest expression of our Marlborough terroir.

TASTING NOTES

Our 2023 Pinot Gris opens with aromas of vanilla poached pear and white blossom with supporting notes of lychee, candied ginger and spice. Bright flavors of pear carry to the palate and bounce off a long lush mid-palate showing lovely viscosity and texture. An elegant acid line gives the wine energy and pulls the palate through a long balanced finish. Try alongside spicy Asian dishes, wash rind cheeses or try pan seared scallops with a fresh mango salsa.

MARLBOROUGH PINOT GRIS

TECHNICAL DATA

APPELLATION
100% Marlborough

VINEYARD
Wairau & Awatere Valleys

COMPOSITION
100% Pinot Gris

COOPERAGE
100% Stainless steel

ALCOHOL 13.5%

TA 6.60 g/L

pH 3.40

RS 4.50 g/L

AGING POTENTIAL
1-5 Years
