

BOATSHED BAY

WINE OF NEW ZEALAND

INSPIRED BY MARLBOROUGH'S COASTAL BEAUTY

Boatshed Bay embodies the life and colour of New Zealand. For many years we have proudly crafted wines from our picturesque vineyards.

MARLBOROUGH

The Marlborough growing region is New Zealand's premier wine producing area. It is known for its diverse terrain of rugged mountain ranges and vast stretches of flat valleys outlined by jagged hills. The area is marked by plentiful bodies of water from streams and rivers to the famed Marlborough Sounds and captivating views of the South Pacific Ocean.

One of New Zealand's sunniest and driest regions, Marlborough enjoys about 2,400 annual sunshine hours. With an average daytime temperature of 18°C and cool nights brought on by coastal winds, it offers idyllic conditions for growing world-class Sauvignon Blanc.

VINEYARD

Our Sauvignon Blanc is crafted from premium fruit grown in the Awatere and Wairau Valleys of Marlborough, New Zealand. Combining fruit from each of these regions adds an extra dimension to the wine; the Wairau Valley fruit lifting the aromatics, whilst the Awatere component adds an attractive mineral note.

WINEMAKING

We believe in letting the quality of our fruit show through in our wines. Grapes were harvested in and gently pressed following short period of contact with the skins. Cool fermentation to retain pure and vibrant fruit aromas was followed by a short amount of time on lees to build structure in the palate.

TASTING NOTES

A blush pink rosé with aromas of strawberry, melon, cherry & florals. A moreish palate of berry & grapefruit with an inviting creamy fullness. The wine finishes with a refreshing, elegant acidity and a long, mineral finish. Perfect with seafood, lamb, garden greens or cheese.
