

PIONEERS IN
SUSTAINABLE WINEMAKING

GROVE MILL

— NEW ZEALAND —

A pioneer in the Wairau Valley, Grove Mill is dedicated to crafting premium wines with minimal environmental impact. The Southern Bell Frog, for which we have established a wetland beside our winery, is a symbol of our commitment to preserve our land for the enjoyment of future generations.

VINEYARDS

The fruit for our Pinot Noir was harvested from Wairau vineyards including our flagship vineyard, 17 Valley. Good soil and canopy management, cold nights during ripening, and a very warm summer kept all the concentrated flavours in the grapes which you can now taste in the wine.

WINEMAKING

The grapes were harvested during the cold of the night to avoid unnecessary phenolic extraction and to preserve primary fruit. Gentle winemaking techniques combined with a ten month maturation in 20% new French oak deliver a dark and robust Pinot Noir.

2018 PINOT NOIR

Aromas of dark cherry and blue fruit mingle in the glass. The palate is complex and savoury with classic boysenberry and complex spice characteristics, and finegrained, layered tannins on the finish.

COMPOSITION: 100% Pinot Noir

REGION: Wairau Valley, Marlborough

AGING: 10 months in 20% new French oak

ALCOHOL: 14.0%

PH: 3.6

TA: 6.0 g/L

RS: 1.0 g/L
