

Activated Charcoal Paste

Activated Hardwood Charcoal

Activated Charcoal Paste contains activated hardwood charcoal, clay and certain electrolytes.

Active Ingredient

Activated Hardwood Charcoal 100 mg/ml

Indications

May be used as an aid to neutralize gas-producing food combinations. Research has shown that activated charcoal is effective in counteracting the effects of certain oral toxins.

Treats

- Dogs
- Cats
- Foals

Dose

Dogs & Cats: 1-3 ml per pound body weight

Foals: Up to 80 ml

Repeat dosage after 1-3 hours or as recommended by a veterinarian.

Caution

Do not administer to unconscious animals.

Warnings

Not for use in horses intended for food as a withdrawal period has not been established.

Storage

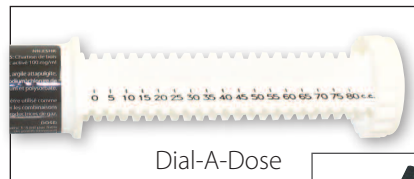

Keep in a cool, dry place between 8-35 °C. Avoid freezing.

Presentation

300 mL and 80 mL Tubes

Features

80 mL tube features a convenient "Dial-A Dose" plunger. The 300 mL tube requires a separate applicator gun in order to dispense.

Dial-A-Dose

Applicator Gun
