Takeout menu

We proudly serve Puro Fairtrade Coffee in our café.

Puro is the only coffee company to work with the World Land Trust to protect at-risk areas of the rainforest. They donate 2% of their coffee sales to fund these reserve purchases. Each cup of Puro sold saves one tree, each large bag of coffee sold saves an acre. Stop by the café to see how many trees and acres you have saved!

Puro is only one of a handful of verified providers of Fairtrade items. You can find us on the FairtradeAmerica.org website under coffee providers.

As wholesale distributors, we provide coffee, tea and other convenient beverage solutions for restaurants, break rooms, schools, catering and bed & breakfasts at affordable pricing.
