All zipper detachable throw over leather saddlebags assumes the motorcycle is in stock condition and we recommend the use of saddlebag support brackets, which may not be available for some bikes. We do not sell support brackets, so buy them online or from a dealer before ordering Throw Over Bags. Larger saddlebags will work if the turn signals, pipes or license plates have been relocated. Most motorcycles with exterior shocks require wide angle leather saddlebags when using Quick Mounts Brackets.

**Turn signals, pipes or license plate need to be relocated or use of solo seat*
