

Attaches securely with

hook-and-loop fastener strap

## **Cervical Collars**

## Decreases the range of motion in the neck immediately after an injury

- Used for neck sprains or strains and mild muscle weakness
- Contoured serpentine design for patient comfort allows the chin to rest on the collar
- Includes 6" extension piece to accommodate larger sizes
- Includes an extra synthetic cover that can be washed
- Not made with natural rubber latex

See our website for our Arm Slings (#4347-4351, 4355)
