

Safe-Touch Blue Nitrile Examination Gloves

WE CARE LIKE FAMILY™

Your First Choice For Gloves Powder-Free · Strong · Sensitive to the Touch

For all-around industrial and medical use. Resistant to many chemicals, formulated to go on easy and provide consistent quality at a reasonable price. That's what Dynarex Safe-Touch Blue Nitrile Exam gloves achieve. Dynarex gloves are the first choice in nitrile gloves all across America. The nitrile material provides an added degree of durability. They also feature textured fingertips that provide enhanced grip and dexterity.

- The ideal solution for individuals sensitive to natural rubber latex and donning powder
- Not made with allergy causing natural rubber proteins
- Extraordinary strength and puncture resistance while maintaining tactile sensitivity
