

With the highest capacity of Health o meter® Professional's remote display scales, the 752KL is a great supplement to accommodate ambulatory bariatric patients. The remote display and portable base make it convenient to move the scale anywhere it is needed.

### Advantages

- EMR Capable**  
Scale interfaces with a computer, EMR software or other electronic device via Health o meter® Professional Connectivity Solutions
- Remote Display**  
The remote display provides versatility with the ability to be mounted on a wall or placed on a table
- 600 lb Capacity Floor Scale**  
The 752KL is the market's highest capacity floor scale, providing more versatile use
- Value-Added Features**  
Operating functions (LB/KG Conversion, LB/KG Lock Out, BMI, Zero, Tare, Hold/Release, Auto Zero, Auto Off) included at no additional cost
- Calculates Body Mass Index (BMI)**  
Scale functions include the ability to calculate the patient's BMI

Remote display can be mounted on a wall or placed on a table

Optional carrying case (order # 64771)
