

# Mindray Lifecycle Solution Guide

## ePM Series Patient Monitors

**Mindray's Commitment to Quality  
over the Lifetime of your Investment**

This Lifecycle Solution Guide provides a comprehensive overview of Mindray warranty coverage as well as service agreement options available throughout the life of your patient monitoring system.

### **ePM Series 3-Year Warranty Support Plan**

**Comprehensive 3-year warranty coverage on ePM Series monitors and modules includes:**

- Supported by Mindray mail-in repair center; loaners available as needed
- Technical phone support 8:30 AM – 5:30 PM EST, Monday – Friday, excluding holidays
- After hours dispatch which guarantees a service professional call back within two hours

### **Support Services**

Mindray is dedicated to providing cost-effective solutions for today's healthcare organizations. With your equipment purchase, you gain access to a service organization dedicated to maximizing equipment utilization, as well as your overall investment. Mindray offers the following services for the life of each platform:

- Technical Telephone Support
- Repair Center
- Regional Parts Bank
- Loaner Equipment

### **Service Options**

In addition to the initial 3-year coverage, Mindray is committed to exceptional post-sale service.

Options include:

- Biomedical Engineer Training
- Post-Warranty Services
- 24 x 7 Access to Mindray Field Service Professionals
- Software Maintenance Agreements

### **Software Maintenance Agreements**

Systems today typically incorporate third-party operating platforms, as well as proprietary clinical applications and algorithm software. A Mindray Software Maintenance Agreement (SMA) addressing application servers and patient monitors is designed to keep our customers at ease, by either safeguarding the functionality originally purchased via scheduled software patching and updates (Basic SMA) or by protecting from system obsolescence with annual application and operating system upgrades (Platinum SMA).
