

Magnifiers

Epic[®] Magnifier

The perfect combination of world-class optics, precision movement and a large viewing area.

Philips Burton's Epic[®] Magnifier commands attention based on aesthetics alone – but its real value lies in its world class optics, performance and precision movement. With its patented arm system, the Epic[®] is more rugged than any other magnifier. The arm stops exactly where positioned and does not require constant tightening or lock mechanism adjustments.

The Right Light
