

# Hello!

Welcome to your magical Fairy Adventure. Your child is about to embark on a journey filled with magic, creativity, and fun. However, they will need a little help from YOU to create the magic.

Inside this ADULTS ONLY package, you will find 7 numbered bags. Each bag contains a project or task for your child to complete. INSIDE each bag are 3 ELEMENTS:

1. A CARD explaining that particular step in the adventure
2. The PROJECT for the child to complete
3. Details of the TASK the child must do in order to progress to the next bag/surprise

Begin the Fairy Adventure with your child by first locating the introduction card and using the enclosed stickers to personalize the fairy house. If your child does not know about this adventure yet, you may decide to add to the fun and surprise them by placing the house and stickers where they can happen upon them—as if placed there by magic (or fairies).

Once they've personalized their fairy house and completed the original task provided with it, you should secretly place the contents of BAG #1 into their fairy house. It helps to leave the lid off the house so they know there's something new and exciting inside. The pace of the adventure, reveal and task is up to you.

Once your child has completed the project and task for BAG #1, you can put the contents of BAG #2 into the fairy house. Continue to do this, in order of bag numbers, finishing with BAG #7. (Make sure you fill in your child's name and the date on the certificate in bag #7!)

#### THINGS TO KEEP IN MIND:

Remind kids to be PATIENT, because magic takes time.

ENJOY the experience of orchestrating an adventure you and your child will never forget.

If your child asks, "what's inside that ADULTS ONLY envelope?," here are some truthful explanations:

- "An explanation of how the magic works. And a certificate that swears me to secrecy!"
- "Information about other adventure boxes."
- "Nothing important. Now let's do good fairy deeds."

Got it? Now get ready to embark on your MAGICAL ADVENTURE!
