

**Resource 16: Questionnaire for involving governors in school self-evaluation**

Name: .....

Completed on: .....

Please give brief answers to the following questions.

1. How can we make sure that there are link governors at least for the main curriculum subjects?
2. How can we ensure that the school development plan is kept under continuous review by the leadership team and by the governors?
3. How can we ensure that as each section of the SDP comes up for governor review, we set up visits by the link governor to see the relevant area in action?
4. How can we review the guidelines and documentation for these visits?
5. How can we ensure that there's feedback from the link governor to governing body or committee meetings?
6. How can we ensure that lessons are learned from this feedback, upon which the leadership team can act?
