

mesopeel® melanostop tran3x

Professional Use Only

Depigmenting peeling with a complex formula that accelerated epidermis renewal for removal of melanin built up on the surface. It provides visible improvement in tone and luminosity. Its formula provides a perfect balance between efficacy and tolerance.

ACTIVE INGREDIENTS

20% Azelaic
10% Resorcinol
6% Phytic Acid
3% Tranexamic Acid

50 ml / 1.69 fl. oz. pH 1.3

PROTOCOL

Prep- mesoestetic® hydra milk cleanser backbar & mesoestetic® hydratonic backbar

1. Cleanse the skin with **mesoestetic® hydra milk cleanser backbar** using circular motions and remove with warm water using facial sponges
2. Tone entire face with **mesoestetic® hydratonic backbar** using cotton pads
3. Degrease the skin using alcohol pads 60% or above
4. Protect the mucous membranes on the face (tear ducts, nostrils and lips) using a protector balm

Method - mesoestetic® mesopeel® melanostop tran3x

5. Pour 2-2.5ml of **mesoestetic® melanostop tran3x** peel solution into measuring beaker
6. With a fan brush apply an even layer on entire face. Time on tissue 5 minutes
7. Spray **mesoestetic® post-peel neutralizing spray** directly onto the face until it is fully absorbed (you may further neutralize with cold water if needed)

Treat- mesoestetic® crystal fiber mask & mesoestetic® post-procedure fast skin repair

8. Remove bottom layer of **mesoestetic® crystal fiber mask** and apply to the skin. Remove the top layer, adjust to the face and press into skin (Time on skin 20 mins)
9. Gently remove **mesoestetic® crystal fiber mask** and pat into skin until the product is completely absorbed
10. Apply a generous amount of post procedure **mesoestetic® post-procedure fast skin repair** and gently massage until absorbed

Protect- mesoestetic® mesoprotech® sun protection line

11. Apply a nickel sized amount of **mesoestetic® mesoprotech® sun protection** that corresponds with skin type and gently massage onto skin until fully absorbed

Guide of maximum recommended application times (minutes)

combined	face	neck	body
mesopeel® melanostop tran3x	10 minutes	2 minute	5-10 minutes
