Thank you for your purchase of the NuDell™ Award-A-Plaque. To print your own custom certificate, visit Artistic's FREE online gallery at: <http://certificates.artisticofficeproducts.com/#>

Please follow the easy directions below.

Step 1. Align

Step 2. Puncture plastic cover sheet

Step 3. Puncture certificate sheet

Step 4. Install onto plaque

IMPORTANT NOTE:

Before starting assembly, if plastic cover sheet supplied has a protective film, remove it from both sides of plastic sheet to produce a completely clear surface.

DIRECTIONS:

1. Align the plastic cover sheet horizontally and vertically with Award-A-Plaque.
2. Puncture plastic sheet with tacks (supplied) into the 4 pre-drilled holes on Award-A-Plaque and remove.
3. Align the plastic cover sheet horizontally and vertically with certificate and puncture certificate with tacks, through the holes made in Step 2.
4. Align the plastic cover sheet & certificate horizontally and vertically with Award-A-Plaque. Holding certificate and plastic cover sheet together find one of the four holes in plaque and partially insert tack. Do the same for the remaining three holes. Tap tacks fully into plaque with a hammer.
