Cast Pendant takes inspiration from the traditional plumb weight – a weight hanging from a line used by masons and carpenters since Ancient Egypt to establish a true vertical. An honest light, Cast Pendant embodies Menu's philosophy of soft minimalism. Hang one lamp on its own or cluster several into an installation. The lamp is available in three variations, and a splitter allows for variety of configurations. Cast Pendant is designed for both commercial and residential use.

About the Designer

Tom Chung is an industrial designer focused on material objects and space. He established his studio in 2015. Jordan Murphy is a designer who applies technical insight and curiosity to create simple and thoughtful objects. The two are based in Toronto, Canada and share an appreciation for functional and honest design. Cast Pendants is their first collaboration with MENU.

Notes to Editor

MENU is a Scandinavian design brand with a simple philosophy; to make the world better, less complicated and a little bit nicer to wake up to. MENU collaborate with super-talented international designers, to produce high quality design with a crisp Scandinavian look. MENU work with local craftsmen from around the world to preserve traditional skills, whilst creating objects which are timeless and can be treasured for a lifetime. Composed of lighting, furniture and accessories, the MENU collection provides clever solutions for modern living.
