

Organic Castor Oil

Conditioning Oil

supports fuller, healthier-looking hair, lashes & brows

Organic Castor Oil

After just 1 application*:
7 out of 10
 reported their hair felt softer and deeply conditioned and their scalp felt nourished

After 4 weeks of use*:
90%
 reported their hair felt softer

8 out of 10
 reported their scalp was soothed & moisturized and their hair was deeply conditioned

*Results from 4-week consumer perception study of 39 women

A natural source of nourishing fatty acids that helps condition roots, nourish hair follicles and moisturize the scalp for healthier, stronger and fuller-looking hair.

Size	16 fl. oz
Unit Dimensions	8" H x 2.25" W x 2.25" D

Just 1 Simple Ingredient

Organic Castor Oil

Full of nourishing fatty acids, this 100% pure, hexane-free, cold-pressed oil moisturizes and conditions scalp, roots and strands to help support thick, full, healthy-looking hair, lashes and brows.

Our Natural Integrity We consider organic certification to be the highest clean, natural standard, so we don't need a *free from* list to assure you of this product's purity and sustainability.

Ingredients Organic Ricinus Communis (Castor) Seed Oil

How to Use: Hair: Massage into dry scalp. Leave for 1 hour. If necessary, cover hair to prevent oil transfer to clothing or bedding. Rinse with shampoo. Use as needed. **Lashes & Brows:** Apply 1-2 drops nightly to lash line and brows using clean eyeliner brush, mascara brush or cotton swab.

How to Recycle: Bottle and cap can be recycled curbside. If cap is not accepted for local recycling, it can be recycled through Sky Organics' Pact Collective partnership.

Organic Age Embrace Oil Serum

Age Defense Blend with Evening Primrose & Moringa Oils

helps maintain a youthful-looking complexion

NO ANIMAL TESTING

Certified

Potent antioxidants and nutrient-rich botanicals work together to support a youthful-looking complexion and help prevent early visible signs of skin aging

Size	1 fl. oz
Unit Dimensions	4.2" H x 1.37" W x 1.37" D

Just 4 Simple Ingredients

Organic Evening Primrose Oil	Deeply hydrates and helps skin retain moisture
Organic Moringa Oil	Nutrient-rich oil helps smooth skin's surface appearance
Organic Jojoba Oil	Balancing oil nourishes, hydrates and helps with absorption
Vitamin E	Powerful antioxidant support for dry, aging or compromised skin

Our Natural Integrity We consider organic certification to be the highest clean, natural standard, so we don't need a *free from* list to assure you of this product's purity and sustainability.

Ingredients Organic Simmondsia Chinensis (Jojoba) Seed Oil, Organic Moringa Oleifera Seed Oil, Organic Oenothera Biennis (Evening Primrose) Oil, Tocopherol (Vitamin E)

How to Use: Apply 2-3 drops to clean face, neck and décolletage by gently patting into skin or mixing into your favorite skincare product. Patch test before first use and recycle after use.

How to Recycle: Bottle and carton can be recycled curbside. Dropper can be recycled through Sky Organics' Pact Collective partnership

Organic Rebound Oil Serum

Plumping Blend with Passion Fruit & Pracaxi Oils

helps smooth and rejuvenate skin tone and texture

NO ANIMAL TESTING

Certified

Potent, botanical oils infuse skin with moisture to naturally plump and smooth the surface of the skin to bring back a healthy-looking bounce

Size	1 fl. oz
Unit Dimensions	4.2" H x 1.37" W x 1.37" D

Just 3 Simple Ingredients

Organic Passion Fruit Oil

Cold-pressed oil quickly penetrates skin with moisture to help smooth skin's tone and texture

Organic Pracaxi Oil

High in multiple fatty acids and known for its regenerative properties, this potent oil helps support collagen growth

Vitamin E

Powerful antioxidant support for dry, damaged or otherwise compromised skin

Our Natural Integrity We consider organic certification to be the highest clean, natural standard, so we don't need a *free from* list to assure you of this product's purity and sustainability.

Ingredients Organic Passiflora Edulis (Passion Fruit) Seed Oil, Organic Pentaclethra Macroloba (Pracaxi) Seed Oil, Tocopherol (Vitamin E)

How to Use: Apply 2-3 drops to clean face, neck and décolletage by gently patting into skin or mixing into your favorite skincare product. Patch test before first use and recycle after use.

How to Recycle: Bottle and carton can be recycled curbside. Dropper can be recycled through Sky Organics' Pact Collective partnership

Organic Rosewater Facial Mist

Hydrating Toner

Moisturizes, balances and refreshes skin

NO ANIMAL TESTING

Certified

100% pure and steam-distilled, this lightweight, alcohol-free rosewater can be used throughout the day to hydrate and help balance excess oils, leaving skin feeling soft and refreshed

Size 4 fl. oz

Unit Dimensions 5.5" H x 1.7" W x 1.7" D

Just 2 Simple Ingredients

Organic Rosewater

Pure and steam-distilled from rose petals, this alcohol-free organic hydrosol helps boost and balance hydration for petal soft skin

Radish Root Ferment

Derived from fermented radishes, this natural preservative helps maintain product freshness and integrity

Our Natural Integrity We consider organic certification to be the highest clean, natural standard, so we don't need a *free from* list to assure you of this product's purity and sustainability.

Ingredients Organic Rosa Damascena (Rose) Flower Water, Leuconostoc/Radish Root Ferment Filtrate

How to Use Close eyes and spray onto face and neck or apply by using a cotton round. Reapply as needed throughout the day. Can be used to set or refresh makeup.

How to Recycle Bottle can be recycled curbside. If pump/sprayer and cap are not accepted for local recycling, they can be recycled through Sky Organics' Pact Collective partnership.

Organic Tea Tree Witch Hazel

Purifying Toner

hydrates and balances oily and blemish prone skin

NO ANIMAL
TESTING

This natural toner clears skin of everyday impurities and excess oils and helps minimize the appearance of pores without stripping away hydration

Size 8 fl. oz

Unit Dimensions 7.75" H x 2" W x 2" D

Just 2 Simple Ingredients

Organic Witch Hazel

Removes excess oils to help minimize the appearance of pores

Organic Tea Tree Oil

Known for its cleansing properties to help soothe blemish-prone skin

Our Natural Integrity We consider organic certification to be the highest clean, natural standard, so we don't need a *free from* list to assure you of this product's purity and sustainability.

Organic Extra Virgin Olive Oil

Cold-pressed & Unfiltered
bright, fresh authentic flavor

NO ANIMAL TESTING

Certified
B
Corporation

100% pure, unrefined olive oil, sourced from organic farmers in Greece, has a delicate and authentic flavor that complements salads and marinades and is suitable for most types of cooking

Size	16 fl. oz
Unit Dimensions	11.25" H x 2.25" W x 2.25" D

Just 1 Simple Ingredient

Organic Extra Virgin Olive Oil

Sourced from organic farmers in Greece, this 100% pure, cold-pressed and unrefined extra virgin oil is high in healthy antioxidants and monounsaturated fatty acids, maintains a bright, fresh, authentic flavor and has a moderate to high smoke point.

Our Natural Integrity We consider organic certification to be the highest natural standard, so we don't need a *free from* list to assure you of this product's purity and sustainability.

Ingredients Organic Extra Virgin Olive Oil

Suggested Use With a moderate to high smoke point, this oil is suitable for most types of cooking, including pan frying. Its delicate flavor is delicious on salads and in marinades.

How to Recycle Bottle can be recycled curbside. Cap and neck can be recycled through Sky Organic's Pact Collective Partnership.

African Black Soap

Purifying Face & Body Wash

gently cleanses oily or acne-prone skin

Traditionally-made, small-batch black soap purifies acne-prone skin while leaving it soft and hydrated

Size	16 oz
Unit Dimensions	9" H x 7" W x 4" D

Just 5 Simple Ingredients

Cocoa Pod Ash	Cleanses and purifies to keep blemishes at bay
Coconut Oil	Richly replenishing oil moisturizes, conditions and smooths skin
Palm Kernel Oil	Sustainably-sourced oil helps soften skin without greasy residue
Shea Butter	Antioxidant-rich butter nourishes and soothes dry skin
Vitamin E	Antioxidant support for compromised skin

Our Natural Integrity This product contains only five simple, natural ingredients, so we don't need a *free from* list to assure you of its purity and sustainability

Ingredients Cocoa Pod Ash, Cocos nucifera (Coconut) Oil, Elaeis guineensis (Palm) Kernel Oil*, Butyrospermum parkii (Shea) Butter, Aqua (Water), Tocopherol (Vitamin E)

*Not a certified organic product.

How to Use Apply to a damp washcloth and gently massage into a rich lather over wet skin. When cleansing the face, avoid eye area. Rinse thoroughly.

Epsom Salt

Magnesium Sulfate USP

soaking salts for bath and feet

These 100% pure, medium-grain epsom salts help soothe tired muscles and feet after strenuous activity and gently exfoliate and wash away impurities

NO ANIMAL
TESTING

Certified

Corporation

Size	5 lbs.
Unit Dimensions	11" H x 8.5" W x 3.5" D

Just 1 Simple Ingredient

Epsom Salt

Free from added ingredients and fragrance, this natural salt helps remove impurities from skin and comfort tired muscles and feet after workouts. Salts dissolve quickly in warm water.

Our Natural Integrity This product contains only one simple, natural ingredient, so we don't need a *free from* list to assure you of its purity and sustainability.

Ingredients Magnesium Sulfate U.S.P. (Epsom Salt)

*Not a certified organic product

How to Use **Bath:** Add two cups of Epsom Salt to warm bath water. Soak for 20 minutes. **Foot Soak:** Mix one cup of Epsom Salt in a foot bath and soak feet for 10 minutes. **Shower:** Exfoliate skin in the shower by mixing a handful of Epsom Salt with shower gel or coconut oil and gently massaging onto skin. **DIY:** Can be used to create DIY products.

How to Recycle Please check locally for recycling options, including recycling programs at local stores and businesses. Or consider thoroughly cleaning and reusing this resealable bag.

Organic White Beeswax

100% Pure, Triple-Filtered Pellets
for DIY beauty and craft projects

NO ANIMAL
TESTING

Ivory in color and with a natural, mild scent, these 100% pure organic beeswax pellets melt down quickly for use in home-made beauty and craft projects

Size	16 oz
Unit Dimensions	10" H x 7" W x 3" D

Just 1 Simple Ingredient

Organic White Beeswax

100% pure organic beeswax is responsibly sourced from the hive, triple-filtered and processed into pellets without additives to maintain its purity and natural, mild scent. Pellets melt down quickly and are ideal for home-made beauty and craft projects.

Our Natural Integrity We consider organic certification to be the highest clean, natural standard, so we don't need a *free from* list to assure you of this product's purity and sustainability.

Ingredients Organic Cera Alba (Beeswax)

How to Use Use pellets to create your own beauty products, body butters, balms and more. The melting point for this product is 142–149° F (61–65° C). Do not exceed 149° F (65° C) when melting. Use caution when handling hot wax.
