Additional Info

- Painted Ash: European ash timber is wire brushed to create a textured surface before the application of the paint.
- Stained Ash: European ash timber is stained then sealed with a clear matte lacquer to maintain the colour whilst preserving the tactility of the surface.
- Painted HDF: High density fibreboard is painted to create satin matte finish, or painted then coated in clear lacquer to create a gloss finish.
- Painted Fibreglass: Fibreglass is painted to create satin matte finish, or painted then coated in clear lacquer to create a gloss finish.
