

Isa Table Bowl

Designed by Team Love Fest

A beautiful, catch-all bowl for any tabletop. Its wide surface and low-lying edge show off its spiral interior.

Sizing: One 50-yard ball of Tough Love yarn is all you need to create this 16" diameter bowl with a 2.5" rim. When crocheting this basket using the spiral method below, each round will increase by 6 stitches. You can make the bowl as big or small as you see fit, just continue adding an extra six stitches to each round until you reach the perfect size. To finish, create an edge by keeping with a single crochet for 2 or more rounds.

Finished Measurements: Approximately 16" diameter, 2.5" edge
