

Gabi Cowl

Created by knitwear designer Gabi Blumberg from [Maison Dene](#)

This simple garter stitch cowl, knit in the round, shows off the unique colors and textures of this yarn. The design allows you to let it gather low beneath your chin or to pull it high to guard against those extra chilly winter days.

Materials + Notions:

- 3 skeins of Kullu yarn in your choice of color (pictured here in Alabaster, Crushed Almond & Coyote)
- US Size 13, 24" circular needles
