Lulu Pet Bed
Designed by Team Love Fest

A sturdy and super cozy bed for your four-legged friend. Just pick your pet's favorite color and get started!

Sizing: It's easy to adjust this pattern to the ideal size for your pet. One 50-yard ball of Tough Love yarn will create a bed that's approximately 16" in diameter with an edge that's 2.5" in height. This pattern uses two 50-yard balls of Tough Love to create a roughly 22" bed with a 2.5" edge. When crocheting this bed using the spiral method detailed below, each round will increase by 6 stitches until you reach your ultimate size. You can continue adding six stitches to each round until you find your desired diameter then create an edge by keeping with a single crochet for 2 or more rounds (or until you run out of yarn).

Finished Measurements: Approximately 22'' diameter, 2.5" edge
