Q. How do I use these tips and get the beautiful results I see in all the Photos?

This is one of the most common questions asked about Russian Ball Tips. Below is a great video that will help you see how it's done with verbal instruction. The key to getting results is making sure your frosting is thick enough. These videos and blogs will help you get started much quicker so you can get the results you want and have fun in the process.

Q. Do you have any pre-made frosting recommendations?

After receiving much feedback from customers, the most popular pre-made icing to use seems to be the **Wilton Ready To Use Decorator Icing**. It is available on Amazon for purchase. We are in no way affiliated with this company, we simply are recommending it because of the many reports of success using this icing.

Q. How about a homemade buttercream frosting recipe?

We've had professional bakers report great success with the following homemade buttercream frosting recipe:

Recipe

- **2 lbs powdered sugar**
- **1 cup shortening (or 1/2 cup shortening and 1/2 cup room temp butter)**
- **2 teaspoons vanilla extract**
- **About 1/8 to 1/2 cup milk (more or less depending on how firm you want your icing)**

Instructions

- **Cream shortening and vanilla together for 2-4 minutes. Add powdered sugar 1/4 bag at a time.**
- **Slowly add in milk small amounts at a time until desired consistency.**

Q. Where can I get piping bags?

If you need to purchase piping bags, Amazon has a quality selection at low prices. If you have any questions about which piping bags to get, feel free to contact us anytime for a recommendation.

Q. How do I use the included 3-Color Icing Coupler?

Below is a link to a great instructional video on YouTube that shows how to assemble and use the coupler with piping bags. It's easy and super fun once you give it a try.

Q. How do I use these Piping Tips with a single piping bag?

The best way to learn how to use a single bag coupler is to see how it's done instead of read how it's done. Videos are a much better way to learn, especially with a product like this.

Below is a YouTube video link showing how to use piping bags with piping bag couplers.

Q. How is your product Eco-friendly?

We manufacture our products with materials that are FDA & RoHS compliant. That means our products are free from known hazardous substances found in many of today's products. In addition, for each sale we make, LiveEco™ donates to environmental charities such as Friends of the Earth, Rainforest Alliance and Earthjustice.
