<b>Pioneers Press store credit in lieu of payment (see below)? Please initial here:</b>	<input type="text"/>
---	----------------------

This grants Pioneers Press the right to sell this work on its website and print catalog wherein the creator/s will be duly credited as per their invoice. The work may also be sold at events and to wholesalers for resale.

Payment for consigned work is **50% of agreed retail price**. Creator/s may instead choose to trade for items in the catalog. In this case creator/s will be issued store credit for 60% of the agreed retail price. To arrange trade, please contact [orders@pioneerspress.com](mailto:orders@pioneerspress.com). Work is accepted on consignment terms and payment for copies sold will be sent on the 15<sup>th</sup> of every other month. If the creator/s would no longer like their work sold on the catalog, the work will be immediately removed from the catalog. Balance due will be paid within 30 days and remaining work returned at the creator's expense. Otherwise, removed work will be donated to infoshops or zine libraries, or given away as freebies.

If, within six months, the titles have not sold, the creator/s may choose to either: 1) have their works returned at Pioneers' expense or, 2) donated to infoshops or zine libraries, or given away as freebies.

If a title is consigned more than two times, it will be moved to a distribution contract and will be bought outright (see distribution invoice for more information.)

**Thank you!**
