OPERATION:

1. Insert power plug into an electrical outlet, ensuring that the plug matches the socket.
2. Never use this appliance near water where it can fall or be pulled into a tub, basin, or shower.
3. Do not touch the ceramic plates while the appliance is plugged in, operating, or before it has cooled down. It will be hot and may result in injury.
4. When styling is complete, power off and unplug your styling tool.
5. Safety precautions included, but not limited to those stated herein, should be observed at all times while the appliance is in use, especially when used around children.
6. Do not disassemble the product.
7. Do not use on anything other than human hair.
8. Do not forcibly pull the power cord or wrap the cord around the appliance.

CARE:

- Do not rinse with water as it may damage the appliance.
- Do not use harsh products, benzene, or paint thinner to clean your appliance.
- Misuse or dropping your appliance may damage the styling tool.
- To minimize build up on the flat iron do not spray product onto hair while the styling tool is in use.

INSTRUCTIONS FOR USE:

1. Plug the appliance into an electrical outlet and press the "ON/OFF" switch.
2. Using a detangle brush, work through tangles or knots until your hair becomes manageable.
3. Section hair and begin straightening piece by piece. Keep in mind that the ceramic plates are only 0.8" wide. Sections will need to be small in order for your styling tool to be effective.
