

GrandeLIPS Colors by Grande Naturals, LLC instantly plumps the lips in three to five minutes with a pop of irresistible color, targeting and hydrating dry areas. After extended use, GrandeLIPS Colors act as a treatment serum, increasing the hydration, volume, softness, and firmness of the lips. This product comes in the following colors: Clear, Pale Rose, Barely There, Midnight Purple, Sunset Orange, Lust Red, and Hot Fuchsia. 877-835-3010 or grandelashmd.com

Guinot's Douche Mirific Shower Gel is flower oil-enriched and formulated with non-irritating surfactants to maintain soft and satiny skin. Infused with bergamot, Mandarin, jasmine, orange blossom, ylang-ylang, and musk, this product has a delicate and feminine scent. Its nourishing passion flower gives the skin a restorative glow that lasts throughout the day. After use, Douche Mirific Shower Gel leaves the entire body feeling thoroughly cleansed and smooth all day long. 212-532-1030 or guinotusa.com

Firm Up by Jenetiq Luxury Skin Care is a firming body cream that not only hydrates the skin, but also heals skin conditions such as eczema and dermatitis. This product increases cellular turnover with a silky, non-greasy finish. With a cooling sensation and high concentration of hyaluronic acid, Firm Up is guaranteed to keep the skin moisturized for several hours and works well to resurface and smooth dimples around the thighs. This cream contains antioxidants that help to boost the immune system and increase cellular turnover. 713-876-8258 or jenetiq.com

HydroPeptide's Pumpkin Peel clarifies, exfoliates, and draws out impurities while nourishing the skin with peptides, vitamins, enzymes, and nutrients. Pumpkin contains salicylic acid and enzymes, which remove dead surface cells and leave the skin looking and feeling smoother and clearer. The skin will be more even and have a healthy glow following treatment. Key ingredients include pumpkin ferment extract, which is rich in antioxidants, and pumpkin enzymes, which remove dead skin cells and deeply clean pores. 800-932-9873 or hydropeptide.com

Sensitiv Vital Crème by Malibu C is a luxurious, oil-free facial moisturizer that provides a healthy complexion, restores balance to delicate skin, and replenishes vital moisture to reveal a radiantly healthy glow. This cream has a revolutionary formula that features nutrient-rich wellness emollients, including pro vitamin B5 and jojoba esters, in an airless product delivery system to preserve optimal potency and maintain freshness. It is 100 percent vegan, cruelty-free, made in the United States, and formulated without gluten, parabens, and sulfates. 800-622-7332 or malibuc.com

Jindilli's Walkabout Foot Scrub is infused with cleansing Australian eucalyptus and tea tree essential oils. This sugar scrub contains pure macadamia oil to soften, rehydrate, and return essential fatty acids to dry skin. Sustainably harvested sugar sloughs away rough skin to leave the feet silky smooth. Walkabout Foot Scrub is available for retail and comes in professional sizes for upgraded pedicures. 855-463-4554 or jindilli.com.

Nigella Sativa Oil by Marie d'Argan replenishes and restores dehydrated skin, revealing luminous and glowing skin that will help clients look radiant, rested, and ready for anything. Boost clients' routine by layering this organic, 100 percent pure black seed oil with their regular skin care products, as this action allows more vitamins and nutrients to replenish the skin. This oil is best for fighting skin imperfections, but can also be used to strengthen dry hair follicles. 888-552-0228 or mariedarganusa.com
