NOTE: Acquerello 300 gsm (colour is always off white) is available in both standard sizing and double sizing. Single Sized is designated by the suffix 'SS'. These papers are not suited for fine work or extensive washes. Double sized papers are designated by the suffix '/DS'. The double sizing makes the paper less absorbent, increases watercolour working time and may add to fineness of detail. It also gives the paper a tougher surface for more aggressive drawing techniques. Available in both cold pressed textured with the suffix 'C' & hot pressed smooth with the suffix 'H'.

Pescia Editions 100% cotton papers are designed for letterpress and offset printing, and are generally used in the production of limited edition books, art books, journals and bookbinding. They are also well suited to relief printing, especially linocut, drawing, calligraphy and as a lightweight painting paper. They are moderately hard and smooth.

Map Papers are 20% cotton/80% alpha cellulose, very smooth natural white. Extra sized sheet for large book work.

Magnani Book Papers are all mould made and lightly sized. All papers are 'Natural White', or off-white. All sheets are long grain.

Minimum Order Quantities & Paper Notes:

- **MINIMUM ORDER QUANTITIES FOR SHIPPED ORDERS** (does not apply to in shop sales)
 - Incisioni, Litho, Corona, Annigoni 70 x 100 size: 15 sheets, 50 x 70 size: 30 sheets
 - Acqueforti: 50 sheets
 - Pescia: 25 sheets
 - Acquerello, 300 gsm 56 x 76 cm: 20 sheets, 300 gsm 78 x 118 cm: 10 sheets
 - Pescia Editions 130 & 160 gsm,: 50 sheets, Pescia Editions 200 gsm: 40 sheets, Map paper: 40 sheets
- All papers listed above are mould made on a mould paper machine, and have a grain direction
- The grain side of the sheet is underlined, eg 50 x 70 means the grain runs the 50 side, that is, the sheet is short grain. If the long side is underlined the sheet is long grain, ie, 70 x 100 is long grain
- If no size dimension is underlined, the grain direction is either unknown, or may vary from one mill batch to another
- There will be some batch to batch variation. Whilst every effort is made, colour, thickness, grammage and other paper properties may vary slightly from one mill batch to another
- All above papers have some tub or internal sizing, some have more internal sizing than others. Some papers have no surface sizing, for example etching grades, whilst some have a lot, especially watercolour grades
- All papers are acid free or pH neutral
- The Cotton/Alpha Cellulose range of papers are composed of 50% cotton and 50% Alpha Cellulose
- The 'Suggested Uses' are recommended uses only. Whilst we make no specific warranties regarding the performance of any paper, we are happy to guide you in matching your needs to the most suitable grade.
