## **Learner Self-Assessment**

There are two parts to this assessment. Both parts do not have to be assessed during the same assessment session, day or at the same location.

### **Part 1 is a theory assessment.**

- You may not refer to any reference or training material while completing this assessment.
- You must complete part 1 within 60 minutes.
- Carefully write and tick ( ✓ ) where required so there is no confusion about your answers.
- If necessary, you can provide oral answers to Part 1 questions, while you assessor writes your responses down in the spaces provided. You must initial each response your assessor has written down for you.
- Use a pen to complete this assessment – **not** a pencil.
- Your assessor will mark as appropriate, A – Achieved, NYA – Not Yet Achieved.

### **Part 2 is a practical assessment.**

Your assessor will observe you loading and unloading a goods service vehicle on a simulated road.

The goods service vehicle you load and unload may also be simulated, for instance, it may be a loading dock or similar.

**Part 1**

1. Place the letter matching the correct answer next to each of the questions below.

*We've done the first one for you as an example.*

Questions	Place letter here ↓		Answers
Where do you find a forklift's engine servicing requirements?	G	A	The Land Transport (Road User) Rule 2004.
Where do you find the licence and endorsement requirements for a driver wanting to drive a forklift on a road?		B	The Road Code.
Where do you find the requirements for training operators of forklifts?		C	The Land Transport (Driver Licensing) Rule 1999.
Where do you find the 'plain English' interpretation of the Land Transport (Road User) Rule 2004?		D	The Safety Code for Forklift Truck Operators No. 1, Front Loading Forklift Trucks.
