Gear up to order the new fabric collections to be unveiled at Spring Quilt Market in St. Louis.
- 60 Host a Frou-Frou Party**  
To promote its new partnership with Frou-Frou, Clothworks offers shopowners a "party box" of promotional materials to launch the revered French line of sewing notions.

## columns

- 4 PROMOTIONAL CALENDAR IDEAS**  
Use these calendars as a springboard for planning themed events and classes in your shop.
- 14 HARSH REALITY**  
**Why Is Inventory Turn Important?**  
Inventory turn is the key measure of how well a shop's merchandise is selling. Calculate yours and then take steps to keep the merchandise—and cash—flowing.
- 16 SHOP LOCAL**  
**7 Trends Affecting Retail**  
Are you embracing the changing retail environment and the countless opportunities it presents?
- 20 ON DISPLAY**  
**Fabric Buying: 10 Strategies for Stacking the Deck in Your Favor**  
Julie and Kathy share how they waded through stacks of fabrics to make the buying process more about planning and less about gambling.

- 26 PROFITABLE PROMOTIONS**  
**One for the Money, Two for the Show!**  
Planning, preparation and teamwork can make the difference in your bottom line at quilt events and shows.
- 40 OPTIMIZING OPERATIONS**  
**Chase the Reorderable Item Dollar**  
Exciting new product is essential to your merchandise mix, but you may find greater profits from "boring" reorderable fabrics that quietly sell over and over.
- 41 ON OUR COVER**  
Taking inspiration from the world of yoga, Michael Miller Fabrics introduces the Namaste Collection, on cotton and minky.
- 44 BECOME A SAVVY BUYER**  
**Loss Leaders Produce Profits**  
Offer someone a loss-leader deal and they will justify their need for that product. Karen Montgomery tells how to present such deals and get customers to respond.
- 48 THE FINE PRINT**  
**Web Development Contracts**  
Brian Powers advises about the issues and problems of domain names, website development, and hosting agreements.
- 52 LET'S GET LEGAL**  
**Employee Handbook How-Tos**  
Avoid employee problems by spelling out established guidelines and policies in a handbook. Sarah Maxwell addresses the issues to consider.
- 54 SOCIAL CONNECTION**  
**Tailor Your Social Media Message to the Platform**  
Focus first on your blog and email list, and then create other social media marketing from this content—rather than the other way around.
- 56 THE RUBBER BAND**  
**The Law of the Mirror**  
How do you see yourself? Is something holding you back? Time to let this go so you can discover your "why" and achieve your potential.
- 58 ADVERTISER RESOURCE GUIDE**
