

HOW TO ID YOUR WHEEL

1. Get the wheel model name from the decal on your wheel

2. Once you have identified your wheel model name, find the appropriate model below to determine your model year.

Note: If you see the words: **Vector**, **Sestriere**, **Propel**, **Urraco** or **Dolomite** then your wheels were actually built by Trek under a licensing agreement from Rolf. You will need to contact Trek about these wheels.
