

Heavy Duty Portable Storage

Steel storage units that are durable and affordable.

Skid Container

Made to fit a standard 40" x 48" skid. Available in 78" and 60" heights. Can be used for secure shipping, warehouse storage, or self-storage applications. Manufactured entirely with 18 ga. G90 galvanized steel. These units come standard with a high security door bar lock and lever mechanism that is designed to accept any standard lock. Heavy-duty hinges and tamper proof hardware provide additional security. Portable, durable, and pallet rackable. May also be used without the skid. A variety of shelving options are available.
