

UP-STAND

WHO WE ARE

UP-STAND works to make life more accessible for pregnant women and families. Our founder passionately believes that everyone should have the opportunity to fully participate in and contribute to our society, and that we can provide environments that support this inclusive narrative even with limited time, minimal effort, and small budgets.

We work with artists, businesses, citywide organizations, communities, and elected officials to re-envision the places we work, play, and gather to accommodate children, pregnant women, caretakers, and parents. **Learn more.** 

WHAT ARE UP-STAND'S ANNUAL FAMILY-FRIENDLY AWARDS?

These awards are designed to celebrate accessibility and change norms around family-friendliness.

We aim to:

- Recognize outstanding efforts to improve access for children and their caretakers
- Advance awareness about how to accommodate families
- Encourage high standards of accessibility in the service industry

HOW ARE WINNERS SELECTED?

Awards are earned by businesses/organizations that:

- Meet the objectives listed
- Demonstrate innovation, creativity, and leadership
- Represent UP-STAND's mission
- Make effective use of available resources

All winners must be nominated via our annual survey.

A committee reviews nominations and selects award recipients. We do NOT offer paid promotions or awards.
