# Dragon Dreams and Creates

In a special place,  
between the moon and sun,  
dreaming dragons play,  
they create and have fun.

When friends join in,  
new ideas come.  
All are welcome  
to join in the fun!

When looking at the world,  
they see a place to play,  
to take what they see  
and put it together in a new way.

Imagine what could be,  
if you had wings,  
if the stars and the planets  
invited you to sing.

What would it be like if  
this went with that?  
If I turned this around...  
or made this flat?

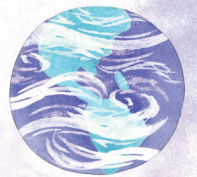

You could travel above  
and wake up below,  
dream while awake,  
and make new things to show.

Nothing they do  
has to be just right.  
It's so much fun to play  
with the sun and moon's light!

Bring the beauty together.  
Make something new.  
Set your mind free.  
Let your heart guide you.

Repeat after me, keep this message with you,  
create with your heart, and to yourself be true.

I know deep inside,  
I can create what I feel.  
When I enter dream world,  
I can make anything real.
