

I'm Learning!

Things I've learned how to do...

Things I'm still learning how to do...

Things I want to learn how to do...

I know you can learn new things because you have already learned so much!

Something that is easy for me is _____

It has been hard for me to learn _____

I am really good at _____

Something I need to practice is _____

Something I can help others with is _____

I need to ask for help with _____
