INGREDIENTS: Herbs, flowers and resins are blended together with pure oils and pure sandalwood, combined in accordance to ancient wisdom and rolled onto a bamboo core stick.

AROMA: This scent features Henna, Malabarica tree resin, Loban Tree Resin, Honey, Jasmine, and Rose.

INTENTION: Burn this incense to create a spiritual and pure atmosphere, to deepen devotion to something higher than oneself, or to facilitate meditation and concentration.

PRODUCT DESCRIPTION: This fragrance combines the ancient aromas of tree resins with jasmine and rose, two of the most romantic floral fragrances, while honey brings these scents together with its natural sweetness.

PRODUCT NAME: Jagannatha means "Lord of the Universe" and is a deity worshiped by some Hindus who see him as a form of Lord Vishnu, the sustainer in the Trinity.

PRODUCT ATTRIBUTES: This exotic stick incense is an alluring combination of tree resins, flowers reputed for their ability to inspire romance, and sweet honey. Its enchanting and sensual fragrance captivates and elevates the mind and the soul. Burning this natural fragrance creates a spiritual atmosphere.

WHY CUSTOMERS LOVE IT: Herbs, flowers and resins are blended together with pure oils and pure sandalwood, combined in accordance to ancient wisdom. This line of incense is designed as a fragrant offering to a higher power, a spiritual practice that deepens one's devotion while reveling in its enchanting fragrance.

LINE DESCRIPTION: Our Devotion Line has 24 fragrances that are ideal to create a spiritual atmosphere, designed to deepen devotion and meditation. Each natural aroma is unique and captivating.

PACKAGING: Colorful packaging made from 100% recycled cardboard, artistically displaying traditional Indian artwork of the Lord Krishna and Sri Radha, who when seen together represent the highest love and devotion. Incense is kept fresh in a plastic bag and can be seen through an oval opening. A hole in the top makes it ideal to display on a hanging rack.

MANUFACTURING PROCESS: Made from natural ingredients: unique varieties of herbs, flowers, resins, pure oils and pure sandalwood. These are blended together into a paste and hand-rolled onto a bamboo core stick, according to ancient wisdom, in a sustainable manner by artisans in India's cottage country, providing employment to rural villagers. An auditor ensures there is no child labor.

CERTIFICATIONS:

- Gold-level Green America Certified Business
- Better Business Bureau (BBB) Accredited Business: rating A+

SUSTAINABILITY: Ingredients are harvested, blended and rolled by hand in the traditional Indian method, producing minimal waste and employing artisans in India's rural cottage industry. This product's package is made from 100% recycled paper, and shipping materials are made from recycled and reused packaging products.

CHARITABLE CAUSE: Prabhujī's Gifts supports Bhaktivedanta Mission, a New York-based, nonprofit religious organization that is home to a spiritual community. The mission's volunteers perform devotional service to others, a yogic spiritual practice, and the mission runs humanitarian projects including the Prabhujī Food Rescue Program, in which the organization feeds people in need in the USA, Dominican Republic, Colombia and India. By purchasing Prabhujī's Gifts products, you help support these causes.

HOW TO USE: Light the coated tip of the incense until there is a flame. Blow it out and place the smoking incense stick in an incense holder.
