INGREDIENTS: Herbs, flowers and resins are blended together with pure oils and pure sandalwood, combined in accordance to ancient wisdom and rolled onto a bamboo core stick.

AROMA: This scent features Vanilla, Rose, and Vetiver.

INTENTION: Burn this incense to facilitate the opening of the Svadhishthana Chakra, the second energetic center that, when functioning properly, arises one's sensuality as well as creativity. This chakra brings us in touch with the element of water.

PRODUCT DESCRIPTION: The unique combination blends the sweetness of vanilla, romance of rose and the grounding long grass of India known as vetiver, to stimulate and awaken the second chakra.

PRODUCT NAME: The Svadhishthana Chakra is one of seven energetic centers in the body. It is the second chakra located just below the navel and is associated with the element of water.

PRODUCT ATTRIBUTES: This exotic stick incense is hand-rolled by artisans in India's cottage industry and blended in accordance to ancient wisdom in order to open and stimulate the seven main energetic centers (chakras) located in our astral bodies. This fragrance is aesthetically pleasing while fulfilling an intention to increase sensuality and creativity.

WHY CUSTOMERS LOVE IT: Herbs, flowers and resins are blended together with pure oils and pure sandalwood, combined in accordance to ancient wisdom. This line of incense is designed to clean, balance and awaken one's energetic centers to elevate the body, mind and spirit. It is also burned for pure aromatic pleasure.

CHAKRA INCENSE STICKS - SKU: 213-52

LINE DESCRIPTION: Our Chakra Line has seven distinct fragrances. Continued use of these specially designed blends helps strengthen qualities related to each chakra, such as serenity, creativity, self-confidence, sensitivity, wisdom, concentration and enlightenment.

PACKAGING: Colorful packaging made from 100% recycled cardboard, artistically displaying the location of the chakra, its ancient Sanskrit symbol and the color of its correlating element. Incense is kept fresh in a plastic bag and can be seen through an oval opening.

MANUFACTURING PROCESS: Made from natural ingredients: unique varieties of herbs, flowers, resins, pure oils and pure sandalwood. These are blended together and hand-rolled, according to ancient wisdom, in a sustainable manner by artisans in India's cottage country, providing employment to rural villagers. An auditor ensures there is no child labor.

CERTIFICATIONS:

- Gold-level Green America Certified Business
- Better Business Bureau (BBB) Accredited Business: rating A+

SUSTAINABILITY: Ingredients are harvested, blended and rolled by hand in the traditional Indian method, producing minimal waste and employing artisans in India's rural cottage industry. This product's package is made from 100% recycled paper, and shipping materials are made from recycled and reused packaging products.

CHARITABLE CAUSE: Prabhuji's Gifts supports Bhaktivedanta Mission, a New York-based, nonprofit religious organization that is home to a spiritual community. The mission's volunteers perform devotional service to others, a yogic spiritual practice, and the mission runs humanitarian projects including the Prabhuji Food Rescue Program, in which the organization feeds people in need in the USA, Dominican Republic, Colombia and India. By purchasing Prabhuji's Gifts products, you help support these causes.

HOW TO USE: Light the coated tip of the incense until there is a flame. Blow it out and place the smoking incense stick in an incense holder.
