INGREDIENTS: Herbs, flowers and resins are blended together with pure oils and pure sandalwood, combined in accordance to ancient wisdom and rolled onto a bamboo core stick.

AROMA: This scent features Patchouli, Geranium, and Rose.

INTENTION: Burn this incense to facilitate the opening of the Anahata Chakra, the fourth energetic center that, when functioning properly, awakens one's ability to love and heightens sensitivity. This chakra brings us in touch with the element of air.

PRODUCT DESCRIPTION: The unique combination blends patchouli oil, dried geranium and rose to stimulate and awaken the chakra located at the center of the heart.

PRODUCT NAME: The Anahata Chakra is one of seven energetic centers in the body. It is the chakra located in the center of the chest, closely associated with the heart, emotions and capacity to love. It is associated with the element of air.

PRODUCT ATTRIBUTES: This exotic stick incense is hand-rolled by artisans in India's cottage industry and blended in accordance to ancient wisdom in order to open and stimulate the seven main energetic centers (chakras) located in our astral bodies. This fragrance is aesthetically pleasing while fulfilling an intention to increase love and sensitivity.

WHY CUSTOMERS LOVE IT: Herbs, flowers and resins are blended together with pure oils and pure sandalwood, combined in accordance to ancient wisdom. This line of incense is designed to clean, balance and awaken one's energetic centers to elevate the body, mind and spirit. It is also burned for pure aromatic pleasure.
