SAHASRARA (CROWN) CHAKRA INCENSE STICKS ENLIGHTENMENT

PRODUCT DESCRIPTION: The unique blend highlights the lotus blossom's fragrance to stimulate and awaken the chakra located at the crown of the head.

PRODUCT NAME: The Sahasrara Chakra is one of seven energetic centers in the body. It is the chakra located at the top of the head, closely associated with consciousness.

PRODUCT ATTRIBUTES: This exotic stick incense is hand-rolled by artisans in India's cottage industry and blended in accordance to ancient wisdom in order to open and stimulate the seven main energetic centers (chakras) located in our astral bodies. This fragrance is aesthetically pleasing while fulfilling an intention to attain enlightenment.

WHY CUSTOMERS LOVE IT: Herbs, flowers and resins are blended together with pure oils and pure sandalwood, combined in accordance to ancient wisdom. This line of incense is designed to clean, balance and awaken one's energetic centers to elevate the body, mind and spirit. It is also burned for pure aromatic pleasure.

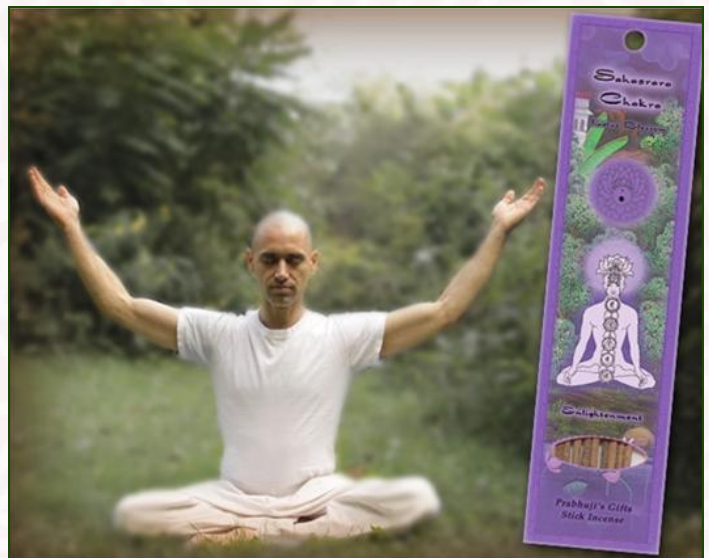

KEY FEATURES:

- Handmade by artisans in India's cottage industry.
- Fragrant aromatherapy.
- Intention incense.
- Green: Prabhuj's Gifts is a Green America Gold Certified business, packages its stick incense in 100% recycled cardboard, and uses recycled and reused packaging products for shipping materials.
- Charitable cause.

INGREDIENTS: Herbs, flowers and resins are blended together with pure oils and pure sandalwood, combined in accordance to ancient wisdom and rolled onto a bamboo core stick.

AROMA: This scent features the Lotus Blossom, Vanilla, and Rose.

INTENTION: Burn this incense to facilitate the opening of the Sahasrara Chakra, the highest energetic center that, when functioning properly, awakens one's ability to attain enlightenment. This chakra brings us in touch with the consciousness.
