INGREDIENTS: Frankincense, Myrrh, Copal, Bay Leaves, Sandalwood, Lavender, Sugar, Rosemary, Orange Peel, Cinnamon, Rose Petals, Earth Pigment, Amber, Lavender Essential Oil.

AROMA: Floral, Herbal, Fresh aromatic lavender.

INTENTION: Burn this incense to facilitate the opening of the Manipura Chakra, the third energetic center that, when functioning properly, awakens one's power and self-confidence. This chakra brings us in touch with the element of fire.

PRODUCT DESCRIPTION: This resin is a special combination of natural ingredients that are blessed with sacred mantras. Burning this resin stimulates and awakens the third chakra.

PRODUCT NAME: The Manipura Chakra is one of seven energetic centers in the body. It is the third chakra located above the navel where we get "butterflies" at times of excitement or nervousness. It is associated with the element of fire.

PRODUCT ATTRIBUTES: This exotic resin incense is Certified Vegan and made in accordance to ancient shamanic wisdom. It is blended and infused with prayers and special mantras in order to open and stimulate the seven main energetic centers (chakras) located in our astral bodies. Its authentic aroma is so powerful that a 1/2 teaspoon of resin on a small piece of charcoal fills a room. This fragrance is aesthetically pleasing while fulfilling an intention to increase one's self-confidence as well enable transformation.

WHY CUSTOMERS LOVE IT: This is an exotic blend of natural resins, aromatic herbs, spices and pure oil combined in accordance to ancient shamanic wisdom. It has been blessed with mantras to create an opening toward self-confidence and transformation on the physical, emotional and spiritual levels.

HOW TO BURN RESIN INCENSE

What you need:

- Fireproof bowl made of metal, ceramic, or stone.
- Charcoal tablets.
- Lighter or matches.
- Resin incense.

Take one charcoal tablet.
Light the edge of the charcoal tablet until you see sparks.

Carefully place the charcoal in the incense burner. Let it burn for 1 or 2 minutes.

Take a half teaspoon of resin incense and place it on top of the charcoal. Place the bowl in a safe area far from the reach of children, pets, or flammable materials.

LINE DESCRIPTION: We carry three Resin Incense Lines: Purpose, Chakra, and Basic. The Purpose Line has six fragrances. Each blend is designed for a specific and positive purpose: to create passion, clear negativity, attract wealth, peace, happiness and health. The Chakra Line has seven fragrances. Continued use of these specially designed blends helps strengthen qualities related to each chakra, such as serenity, creativity, self-confidence, sensitivity, wisdom, concentration and enlightenment. Our Basic Line offers three tree resins that have been used in mystical and spiritual ceremonies for thousands of years, in their pure dried forms. These pure resins can be burned on their own or mixed with other aromatic herbs to create your own blend. This line's only blend, the Ramakrishnananda Blend, contains all three resins as well as herbs and fragrant oils, ideal to be burned on its own or used as a base for your own blended creation.

PACKAGING: We offer two sizes: 1.2 oz bags and 2.4 oz jars. **Bags:** Clear plastic pouch stapled to a colorful label made of 100% recycled cardboard, features Indian art. Designed to hang from a rack. **Jars:** Clear recyclable containers, comfortable screw-top lid. Colorful and appealing art work of Indian origin portrays an elegant and ethnic image, and displays the location of the chakra, its ancient Sanskrit symbol and the color of its correlating element. The fragrance remains contained in the jar, keeping its aroma fresh without influencing other nearby items.

MANUFACTURING PROCESS: The resins are derived naturally from trees. We mix them by hand in the USA with other natural fragrances. Each blend is then infused with mantras to increase its spiritual and energetic power, in accordance to the ancient shamanic tradition.
