

- Sizes range from 250 mL - 20 L
- Highest Polypropylene cap temperature rating in the industry, 142°C
- Industry standard GL45 thread, compatible with Autofil™ Bottle-Top Filters and EZBio® Single-Use Cap Assemblies
- Large, visible writing surface on bottle for additional labeling; white graduations for identification of approximate volume; retrace code for identification
- BOROSIL® 3.3 Borosilicate Glass is mechanically strong, chemically resistant, and withstands thermal shock
- Bottle, VersaCap®, and Pouring Ring are autoclavable and complies with USP-VI

Foxx Life Sciences offers a premium line of high quality, glass aspirator bottles. **PUREGRIP®** Glass Aspirator Bottles combine the leading quality of BOROSIL® 3.3 Borosilicate Glass with the patented advantages of the new Foxx GL45 VersaCap® to produce a true leap forward in laboratory glassware. Glass Aspirator Bottles have a tubular sidearm outlet near the bottom for attachment of flexible tubing and are very useful as a delivery/storage container for solutions. With Foxx's revolutionary GL45-threaded polypropylene VersaCap®, **PUREGRIP®** Bottles are substantially easier to hold securely, improving lab safety and user experience.

PUREGRIP® Bottles are autoclavable, reusable, and graduated in mL. A large writing space allows for visible labeling, and an extra frosted surface on the VersaCap® offers a convenient second location for writing. Manufactured from top-quality glass, **PUREGRIP®** Bottles are highly resistant to thermal shock. And with an industry-leading maximum temperature rating of 142°C, the VersaCap® stands up to even the toughest conditions.

- 1 Frosted surface on top of cap for convenient labeling
- 2 Patented SECUREGRASP technology built into cap for ultimate ease of handling, especially with gloved hand
- 3 USP Class VI, Animal-Free Polypropylene VersaCap® and Pouring Ring for leakproof, drip-free experience
- 4 Sloped shoulders for smooth, natural pouring motion
- 5 Glass bead indicates full capacity level
- 6 Large, visible writing surface on bottle for additional labeling; white graduations for identification of approximate volume; retrace code for identification
- 7 Easy to read graduation marks
- 8 Tubular sidearm outlet

Product Number	Description	Total Capacity (mL)	Approx. Dimensions (Dia. x H)	Thread Type	Quantity Per Case
SKU: 1220021-FLS	PUREGRIP® Aspirator Bottles, For Outlet Tubing with VersaCap®	250	70 x 138	GL45	10/CS
SKU: 1220024-FLS	PUREGRIP® Aspirator Bottles, For Outlet Tubing with VersaCap®	500	86 x 176	GL45	10/CS
SKU: 1220029-FLS	PUREGRIP® Aspirator Bottles, For Outlet Tubing with VersaCap®	1,000	101 x 225	GL45	10/CS
SKU: 1220030-FLS	PUREGRIP® Aspirator Bottles, For Outlet Tubing with VersaCap®	2,000	136 x 260	GL45	5/CS
SKU: 1220033-FLS	PUREGRIP® Aspirator Bottles, For Outlet Tubing with VersaCap®	5,000	181 x 320	GL45	EA
SKU: 1220038-FLS	PUREGRIP® Aspirator Bottles, For Outlet Tubing with VersaCap®	10,000	230 x 395	GL45	EA
SKU: 1220040-FLS	PUREGRIP® Aspirator Bottles, For Outlet Tubing with VersaCap®	20,000	230 x 524	GL45	EA

*EZBio® Cap Assemblies are compatible with the GL45 VersaCap® and can be purchased separately
