

- 304 stainless steel is the most versatile and widely used authentic stainless steel in the world
- High-gloss polished
- Double-sided functionality
- Easy to clean hygienic design
- EZBio® Stainless Steel Balance Spoons are available in 175mm
- EZBio® Stainless Steel Offset Spoons are available in sizes ranging from 150mm to 500mm
- EZBio® Stainless Steel Spatulas are available in 100mm and 150mm sizes
- EZBio® Stainless Steel Spoon Spatulas are available in sizes ranging from 120mm to 300mm

Foxx Life Sciences EZBio® Stainless Steel Spatulas and Spoons are ergonomically designed for ease of use. The versatility of the product makes it possible to support numerous processes, such as formulation work, measuring, sample gathering, powder prep, and granulate work, with a variety of media including pastes and liquids.

Manufactured with a single piece of high-quality 304 Stainless Steel, EZBio® Stainless Steel Spatulas and Spoons are free of edges, crevices, or undercuts, to eliminate the possibility of cross contamination, product residue, or cleaning agent deposits. They are perfect for uses in chemistry, pharmaceuticals, cosmetics, and food.

Balance Spoon

- 1 Easily transfer small quantities of materials with this trough-style spoon

Offset Spoon

- 1 Offset, deep spoon end retrieves material from the corners of bottles and containers
- 2 Spatula end scrapes and breaks up caked powders

Spatula

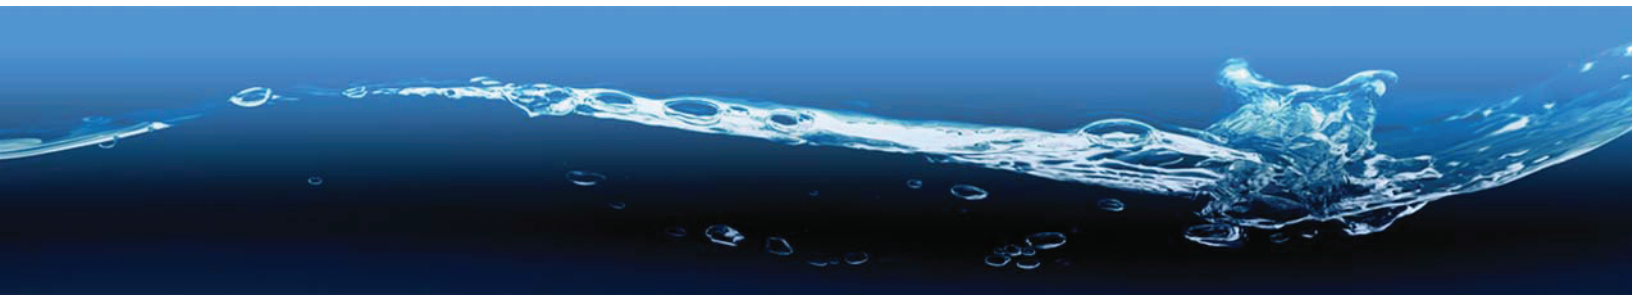

- 1 Suitable for applying or distributing viscous media such as pastes and creams

Spoon Spatula

- 1 Spoon end for transferring, lifting, and handling
- 2 Flat spatula end perfect for formulation, measuring, and granulate work
